Options per category

Starting from the 19-20 season we will be working with two options per category.

Due the system of Barcelona we are forced to use different prices for the options per category.

Smartbooking option

Camp Nou

With the Smartbooking option, we do not guarantee pairs (two seats) to be seated right next to each other. As we don't have sight in what we buy from FC Barcelona following this option, two seats can be seated as follows:

- 2 seats next to each other - This has priority in the new system, but no guarantee
- 2 seats on the same row with 1 seat in between
- 2 seats directly behind each other
- 2 seats diagonally connected
- 2 seats (diagonally) connected with a stairs in between

Please check the picture on the left to check the possibilities. When ordered three tickets via the Smartbooking option, we will allocate two tickets as above and the third ticket as close as possible. The third ticket will be in the same

block as the other two seats 100% guaranteed.

Real Pairs option

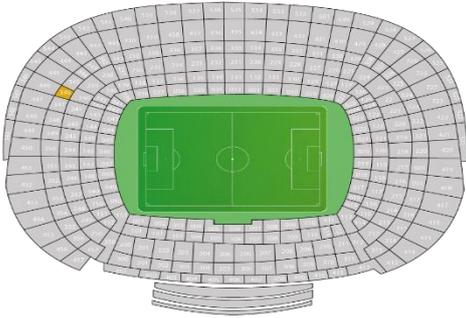

Camp Nou

With this option you will receive two seats guaranteed next to each other. If a third ticket is ordered via this option, we will provide a 'real pair' and the third ticket as close as possible. You will receive the third seat to be in the same block as the pair 100% guaranteed. When ordered four tickets in this category, we will provide two real pairs as close as possible.

If more than two seats need to be together guaranteed, we recommend to offer clients the VIP options below. This can be done for up to four seats together guaranteed. For more seats together, please contact our team in advance.

Cancellation policy

We do not cancel orders in any case without restrictions. We are not responsible for date/time changes or cancellation requests from clients. In case the match date changes, current orders will be valid for the new date. We might be able to swap orders to another match if needed, extra costs will be discussed before confirmation of the swap. If the clients will not be able to attend on the new date, we might buy the tickets back for the price to be discussed by that time. Agency or client is able to resell the seats themselves upon matchday.

Group bookings / big orders

11 Sport & Travel remains the right to cancel orders of 10+ tickets for the same match, without letting our team know prior the booking is made.
